

MEMBERSHIP

10/12/14

The new membership year began on September 1st, 2014 and expires on August 31st, 2015. If you are an annual member renewing through your post, the costs are as follows:

1. The National organization receives \$15.00
2. The state Department receives \$5.00.
3. The total cost per annual membership renewal in one check made out to AMVETS Dept of WI is \$20.00; Whatever remains belongs to the post. Please use a Dues Transmittal form when sending membership dues to State Headquarters.
4. If your post renews your annual membership on line, the cost should be the same as item #3 above.
5. If an individual renews on line as per the renewal instructions stated by National Headquarters, the costs will vary from post to post but, be advised, the post will not be notified by National that the member has renewed on line and my suggestion is that the individual member call the post upon paying on line and that the post periodically check the National roster for outstanding renewals. I strongly suggest that all membership go through the State department!
6. New Annual memberships are still \$20.00 (\$15.00 for National and \$5.00 for State) again in one check made out to AMVETS Dept of WI. Life membership remains the same at \$250. If it is a new life, a check will be made out to AMVETS Dept of WI for \$187.50 (\$125 for National and \$62.50 for State the other \$62.50 goes to the post) this must be accompanied by a Life Transmittal as found on the National web site.
7. If going from annual membership to life, the cost is still \$250 with 2 checks made out to: \$125 AMVETS National Dept and \$62.50 AMVETS

Dept of WI. Again, the other \$62.50 goes to the post along with a Life Transmittal form.

8. If your post is still receiving dues for the 2013 membership year, they are still \$13.66 (\$8.66 National and \$5.00 State) NOTE: If paying for 2013, the electronic invoice will also include the cost of the renewal for 2014 as stated in items # 1,2,3. The total cost now becomes \$33.66 (\$13.66 for 2013 dues and \$20.00 for 2014 dues) National has combined the 2 totals in one invoice to eliminate sending 2014 dues via U.S. postal as the software only generates one invoice a year. In this instance, the State Headquarters will only accept a check for the total amount or the membership will not be processed.
