

AMVETS RIDERS OF WISCONSIN, INC

Proper Patch placement on a black leather vest

Any additional patches placed on your vest must be in good taste. Please remember, you are representing AMVETS, the AMVETS Auxiliary and Sons of AMVETS. No derogatory patches, patches containing foul language or patches that can be construed in more than one way thereby giving it a derogatory meaning are allowed. No dual organization patches, (i.e. HOG, Rotary, Knights of Columbus, Goldwing Riders, Jaycees, Lions, etc). This is your AMVETS Vest. Let's be proud of that fact. A patch representing your bike manufacturer is fine. All "SUPPORT" patches will be for AMVETS Units, past or present Military units only.
